Programme ideas: Volunteering section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a Volunteering section programme of your own.

You can find more information at [DofE.org/volunteering](https://www.dofe.org/volunteering) and there is a range of exciting opportunities to help you complete this section at [DofE.org/finder](https://www.dofe.org/finder).

It's your choice...

Volunteering gives you the chance to make a difference

to people's lives and use your skills and experience to help your local community. You can use this opportunity to become involved in a project or with an organisation that you care about.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Before you begin, it is important to check that your volunteering meets the criteria for businesses and family members (see [DofE.org/volunteering](https://www.dofe.org/volunteering) for the requirements).
